Meeting Information

The meeting and workshop will be held in the conference room at the Physical Sciences Laboratory. The final program and other materials will be available at the meetings. Users are strongly urged to supply summaries and highlights of their research program(s) at SRC as early as possible. This reporting is important for the continued support of the SRC by the NSF. The User submission will be made available at the meetings and will be posted on the meeting web site. Posters are always welcome. A list of tentative speakers and topics can be found at the SRC web site:
